INVARIANT LABS PRIVACY POLICY

1. Data Controller

The controller responsible for the processing of personal data collected through this website is:
Invariant Labs
For all matters concerning the processing of personal data, you may contact us at: **inbox@invariant.app**

2. Categories of Personal Data Processed

2.1. Contact Form Submissions

When you submit an inquiry via our contact form, we process the following categories of personal data:

- Name
- Email address
- Telegram handle
- The content of your message

This data is processed exclusively for the purpose of responding to your inquiry, evaluating potential cooperation, and maintaining communication related to project discussions.

The data is retained until it is no longer necessary for the purposes for which it was collected.

2.2. Technical and Browsing Data

Our hosting environment may collect standard server logs and device-related information essential for ensuring the security, stability, and proper functioning of the website.

2.3. Cookies and Analytical Technologies

The website may employ cookies necessary for its technical operation, as well as analytical and marketing cookies. These may include, among others:

- Google Analytics
- Marketing technologies such as Google Ads

Where required, the use of non-essential cookies is based on the user's consent obtained through our cookie banner.

3. Legal Basis for Processing

We process personal data on the following grounds:

- **Article 6(1)(b) GDPR** - processing is necessary to respond to your inquiry or take steps prior to entering into a contract.
- **Article 6(1)(f) GDPR** - our legitimate interest in ensuring the proper functioning and security of the website, as well as conducting basic analytics.
- **Article 6(1)(a) GDPR** - your consent for the use of non-essential analytical or marketing cookies.

4. Data Recipients

Personal data may be disclosed to entities providing services essential to the operation of our website, including:

- Website hosting provider: **Vercel, Inc.**
- Email or messaging service used to deliver contact form submissions: **Namecheap, Inc.**
- Providers of analytical or marketing tools (e.g., Google)

All recipients process personal data strictly based on contractual instructions and only to the extent necessary to provide their services.

5. International Data Transfers

Some of our service providers may process data outside the European Economic Area, including the United States.

Where such transfers occur, they are carried out in accordance with applicable data-protection rules, based on mechanisms such as the EU–US Data Privacy Framework, standard contractual clauses, or other legally recognised safeguards.

6. Data Retention

- Contact form data: stored until no longer needed for communication or project-related evaluation.
- Cookies: retained for durations determined by your browser settings and the respective analytics or marketing tools.
- Server logs: retained in accordance with the policies of our hosting provider.

7. Rights of Data Subjects

In accordance with the GDPR, you have the following rights with respect to your personal data:

- Access
- Rectification
- Erasure
- Restriction of processing
- Objection to processing
- Data portability
- Withdrawal of consent (where processing is based on consent)

To exercise any of these rights, please contact us at **inbox@invariant.app**.

8. Additional Services

The website does not offer user accounts, payment processing, or newsletter subscriptions at this time. Should such features be introduced in the future, this Privacy Policy will be updated to reflect additional processing activities.

9. Amendments

This Privacy Policy may be revised periodically to reflect changes in legal requirements or our internal practices. Updated versions will be published on this page.
